“IDW 21st Century Genetics Select Holstein Sale” Tatura Showgrounds

Thursday 22nd January 2009

The second “21st Century Genetics Select Holstein Sale” saw a compilation of top quality genetics bought together at Tatura last week, with buyers from around the world keenly registering their interest. A top price of \$19,500 was paid for a stylish ROUMARE daughter in Ebony Park Roumare Toni who in turn goes back to the well known imported cow Walkerbrae Triple T Toni Ex (IMP), she sold to S & J Mills of Jet Star Holsteins on account of B & M Smith of Scotts Creek VIC. Another ROUMARE daughter Krezanda Roumare Damsel sold for \$17,000, to A Coombes of Long Flat on account of R & J Zerk and DS Peglar of McLaren Vale, SA. H & D Dodd of Starcrest Holsteins purchased lot 8, Windy Vale Baxter Rose, this ALTABAXTER daughter goes back to the world famous “BLACKROSE” family; she sold on account of Windy Vale Holsteins, SA. A rare and unique embryo package sold as lot 13 on account of Rocky Mountain Holsteins and Crackholme Holsteins of Canada. 8 ALTATRUMAN embryos from the world famous BRAEDALE GOLDWYN daughter, Gen-I-Beq Goldwyn Secret VG87-2yo sold to A Arena of Coomboona for \$4,800 per embryo and 3 ALTABAXTER embryos from the same cow sold to Sandy Hills Farms of Naringal for \$3,400 per embryo.

Overall 38 outstanding lots grossed \$275,400.00 and averaged \$7,247.00.
