- PREMIER EXHIBITOR

AUSTRALIAN GRAND CHAMPION 2010

During IDW, the six prominent dairy breeds in Australia; Holstein, Jersey, Illawarra, Ayrshire, Guernsey and Brown Swiss, are judged and each breed selects a Junior Champion, an Intermediate Champion and a Senior Champion. At the conclusion of each breed's show, a Grand Champion Exhibit is selected from these three championship winners. The six Grand Champion Exhibits are then brought together for the selection of an overall IDW Australian Grand Champion.

Judging of the Australian Grand Champion will take place Thursday 21st January 2010 at Tatura Park judging arena at approximately 5:00pm. The Australian Grand Champion will be judged by all IDW judges and the successful winner will take home a trophy, prize money and be the inaugural member inductee into the IDW Hall of Fame.
